Confirmations & Authorisation

Our principal training partners are Peoplescience (PIU) and Schools Of Unified Learning (SOUL). Please review carefully their regular enrolment information in full as it gives clarity about 1) the nature of Schools Of Unified Learning, the founder of Abundance Centres (UK), 2) our nominated educational pedagogy (approach to learning), 3) our multi-media production and image use consent requirement and 4) our co-operative and extended parental supervision policy / guidance. Our volunteers receive various kinds of training some of which is provided by SOUL, therefore please affirm / confirm that:

I am clear about the ethos of the organisations. I have read SOUL's first learner's charter, I respect it and will strive to realise (make real) its meaning. I give my consent as required (in point 3 of that enrolment form) and agree to work with Abundance Centres (UK)'s policies and guidance.

I give my permission for the details on this form to be stored on a database for the purpose of monitoring and improving the effectiveness of Abundance Centres (UK) work through volunteers.
